### **Wedding consults** (current policies due to Covid-19)

- We include a complimentary one time taste test of 4 flavors of cake or cupcakes after you have booked the date with the \$100 down payment.
- If you would like an individual tasting in advance of booking the cost would be \$25 and would include 4 of our cupcake flavors or small dessert options of your choice, due to covid-19 this would be a pick-up for you to taste at home.

- If you decide to book with us after that tasting the \$25 is taken off of your order. This would serve as your one time complimentary taste test.
- The \$25 must be paid at the time the appointment is booked and will be applied to your down payment if you book.
- Once your \$100 down payment is paid, the next step is 6-8 weeks before your wedding we can sit down if you would like, with a wedding consultant to finalize or do it via email or phone call. The best way to make an appointment is email for Appleton [lisalr.cakeguru@gmail.com](mailto:lisalr.cakeguru@gmail.com) or [cakeguruweddings@gmail.com](mailto:cakeguruweddings@gmail.com)

### **Cake Design**

One of our wedding cake consultants meets with each couple individually. Each cake is designed per each clients request, have fun, be inspired, at your appointment you may want to bring inspirations...color palette, photos of cakes you like, floral, possibly gown design, whatever inspires you. During busy season appointments may be limited.

### **Sole provider**

Tamara's will not provide a wedding cake with another cake provider of any type also providing desserts, these include but are not limited to cookies, sheet cakes, cupcakes, etc. If we make the dessert you are looking for, than we need to be the one providing it. This can be discussed, but without written approval within the contract we will not leave our cake if we realize this is happening. This is to protect our reputation and due to the health department's policies and insurance/liability, if another provider brings cake and guests don't know which cake and/or desserts are from Tamara's it can affect our reputation, we could be held liable for someone else's product, therefore this is our policy.

### **Kitchen Cakes**

Ask for a menu of our Kitchen cakes. These are available either as 48 or 96 servings with 3 menus of flavor options. These are a great option to supplement servings for very large weddings or as an add-on for late night sweets!

- Balance & final numbers are due 3 weeks before the wedding. The cake may not be downsized after this due to pre-ordering of supplies, turning away of other work, etc. It is the client's responsibility to make sure to make any of these changes.
